How to register

If you wish to register at the practice, please check boundary on page 9 of this leaflet, ask at reception for a new patient registration form (GMS1). You will be asked to complete this and a new patient questionnaire. You may be asked to provide appropriate photographic ID and confirmation of your address. When registering at the surgery please note you will be registering with the "Practice" and not one Doctor.

Accessibility

Our surgery is accessible to patients using a wheelchair and has an available lift for access to the second floor. We have two front door car park spaces for patients displaying a disable badge. For hard of hearing patients, we have a hearing loop system and we can arrange to use a translation services for people who do not speak English.

Please let us know if you need any additional support when visiting our surgery. We are always trying to improve how we communicate with patients. Please tell us if you need information in a different format or communication support.

British Pregnancy Advisory Service (BPAS)

Think you might be pregnant and want confidential advice? You can now self refer to BPAS on their action line 08457 304030

Smoking

The surgery site is a NO SMOKING area. If you smoke and would like to stop please ask for information on the services we have available to help you.

Dental Problems

If you require urgent treatment, please contact your usual dental practice as they may be able to see you or direct you to an urgent care dental service. If you do not have a regular dentist, [contact NHS 111](#) for advice on where you can get urgent care.

Chaperone

This practice respects the privacy, dignity and the cultural and religious beliefs of our patients. If you would like a chaperone to be present during a physical examination by a doctor or nurse at the surgery, please let us know. This chaperone may be a family member or friend or we can arrange for a trained member of staff to be present.

Non NHS Requirements — For Insurance Medicals, medicals for driving licence and travel inoculations please contact the receptionists. Private fees apply.

Named/Accountable Doctor Scheme

From April 1st 2015, all practices are required to allocate a named accountable GP to all patients. Therefore, all patients at College Road Surgery have a named, accountable GP, who is responsible for their overall care at the practice. Your named GP has been allocated by the practice. If you wish to know who your allocated GP is please ask at reception. New patients will be given their named accountable GP at the point of registration by the receptionist.

PLEASE NOTE: You can still talk to, or make appointments to see any of our doctors or nurses, not just your named GP, and please be assured that this will not impact your experience at College Road Surgery in any way.

- Please be on time for your appointment and call us if you are running late.
- If you cannot attend your appointment please let us know at least 30 mins before your appointment time so we are able to offer the appointment to someone else.
- Please ring for test results after 14:30 when the surgery will be quieter.
- Please tell the reception team if you have moved house or changed your phone number.

*If you regularly miss your appointment we may write to you, if you continue to miss appointments we may ask you to register with another Practice

Specialist & Hospital Care (Choose & Book/E-referrals)

If a member of the clinical team believes you need to be referred for more specialist advice/care elsewhere, they will ask you where and when you would like to go. They can then book your appointment electronically while you wait or if you prefer to call back with a suitable date you can do so. If you are having problems with your booking? Ask our receptionists for help.

Hospital Appointments

If you have not received notification of your appointment within two months of referral please ask our reception team for further help, guidance and support.

Zero Tolerance

We aim to treat our patients courteously at all times and expect our patients to treat our staff in a similarly respectful way. We take very seriously any threatening, abusive or violent behaviour against all of our staff or patients. If a patient is abusive or violent, they will be warned to stop their behaviour. If they persist, we may exercise our right to take action and to have them removed, immediately from our list of patients or if appropriate involve other authorities such as the police.

In the interest of safety and security the practice uses CCTV systems.
